**NEWSLETTER**

*January 2014*

**Vol 1**

---

Happy New Year everyone! Over the winter we have been working hard to plan our Annual Conference and AGM, which is scheduled for April 3-4, 2014 in Duncan. Our schedule for this event is in the final planning stages and here is what we have confirmed so far.

***Operator Courses*** (0.6 CEU's each)

April 3, 2014 Water Well Maintenance - MTS

April 4, 2014 Fire Hydrant Maintenance - MTS

Coastal Water Suppliers Association is pleased to offer the opportunity for water operators to achieve CEU's locally without having the added costs of travelling off island.

***Administrative Workshop*** (April 3rd)

Well Efficiency and Savings - GW Solutions

Labs Unplugged - Maxxam Labs

Web Based Resources for Community Water Suppliers - Sustainable Infrastructure Society

Workplace Bullying and Harassment—Employers Advisers' Branch

BC Water Sustainability Act—Ministry of Environment

April 3rd will also include our AGM, Trade Show and Door Prizes.

Register by March 7th for the early bird rate either by mail or online at [www.cwsa.net](http://www.cwsa.net). We now accept online payments!!

---

It's membership renewal time! Members may take advantage of the special early bird rate for our conference if registered by March 7, 2014. Another benefit of being a CWSA Member. Our friends at BC One Call are waiving the one time joining fee to all our CWSA Members that wish to join BC One Call.
