Time: 8:00 am – 4:00 pm

Place: Coast Bastion Hotel, 11 Bastion Street, Nanaimo, BC

1. Operational Best Practices in Water Distribution Systems (0.6 CEU's)

Monday April 9, 2018

Instructed by Mike Ippen

This one day workshop is intended for operators from large or small distribution systems, whether they are experienced or new in the water distribution field. The goal of the workshop is to refresh operators as to expected best practices in running a utility, and to assess where gaps may exist and, using up to date resources, determine practical steps to address them. Topics include typical operational conditions, cross connection hazards, backflow prevention methods, administering a cross connection program, best practices during new construction, safe dig procedures, sanitary standards, best practices during repairs, unidirectional flushing as a guide to system integrity, and best practices for finished water storage facilities.

Early Bird Cost for this course is \$250 for members/\$325 non members if registered prior to Feb 28, 2018. After Feb 28th cost is \$275 members/\$350 non members. Cost includes lunch, coffee breaks, and CEU form submission to EOCP.

2. Dam Inspection and Maintenance (0.6 CEU's)

Tuesday April 10, 2018

This course will be instructed by John Baldwin – Civil Engineering Technician with over thirty years experience in dam design, construction, operations, maintenance and regulation. He has been a BC Provincial Dam Safety Officer since 2003 located on Vancouver Island. The course will cover the following:

This one day course covers organizing and preparing a dam safety inspection, evaluation of dams, evaluation of dam stability, identification of visual deficiencies, evaluation of seepage conditions, of spillways and outlets, hydraulic and hydrologic adequacy, and inspection and testing of gates, valves, and other mechanical systems. Recommended for operators who maintain dam safety. This course is also open to Managers, Trustees, and other related parties.

Students will also go on a field trip to visit a dam site.

Early Bird Cost for the Dam Inspection and Maintenance course is \$250 for members/\$325 non members if registered prior to February 28th, after February 28th the cost is \$275 members/\$350 non members. Cost includes lunch, coffee breaks, field trip transportation and CEU form submission to EOCP.

OPERATOR REGISTRATION FORM

Name (s) of Registrant	EOCP #	Operational Best Practices in Water Distribution Systems (.6 CEU's) Monday April 9, 2018	Dam Inspection & Maintenance (.6 CEU's) Tuesday April 10, 2018

Member Organization Name: _____

Mailing address: _____

Phone: _____

Email: _____

Cost includes lunch, coffee breaks, and submission of documentation to EOCP.

***CWSA reserves the right to cancel any courses that do not achieve a minimum number of participants**

Please include the registration form with your payment. Cheques should be made payable to Coastal Water Suppliers Association (CWSA) and mailed to Box 720, Crofton, BC, V0R 1R0. **Registration and payment is also available online at www.cwsa.net.**
